# PX PRECINOX

PX Précinox is an LBMA refiner with a family-owned and independent management structure that offers the full range of recycling and refining services for precious metals such as Au, Ag, Pd and Pt. Its precious metals are guaranteed by its certified assayers, whose expertise is recognised and certified according to ISO 17025 standards.

PX Précinox ensures a high recovery rate while committing to minimising environmental impacts.

.....

## OUR VISION

Be recognized as the independent refiner-finisher, responsible, transparent and ethically essential.

## RECYCLING AND REFINING
